yansenferdinand6@gmail.com

PROFESSIONAL SUMMARY

Frontend Developer with 2–3 years experience at PT Kloverkres Solusi Integrasi, working mainly with TypeScript, React.js, Next.js, and React Native. Familiar with building responsive web and mobile applications using Tailwind CSS and Chakra UI. Experienced in state management using Redux Toolkit, comfortable consuming RESTful APIs, and proficient with GitHub, and Bitbucket for version control. Able to work independently and collaboratively, with a focus on writing clean, maintainable code that supports business needs.

WORK HISTORY

Frontend Developer - **PT. Kloverkres Solusi Integrasi**
Jakarta Selatan
11/2022 - Current

- Built and maintained responsive web and mobile applications using React.js, Next.js, React Native, and TypeScript, following component-based architecture and clean code principles.
- Implemented user interface designs based on the UI/UX specifications using Tailwind CSS or Chakra UI.
- Integrated REST APIs, handling efficient data fetching via React Query
- Managed application state using React Context and Redux, optimized for both web and mobile platforms.
- Added new features based on product requirements, improving overall user engagement.
- Identified and fixed visual and functional issues in the application, ensuring a smooth user experience.

Staff Accounting - **PT. Mayora Indah Tbk**
Jakarta Barat
11/2019 - 11/2022

- Created financial reports to ensure data accuracy and completeness.
- Reviewed payment voucher documents for correctness and compliance with accounting standards.
- Reconciled all accounts, ensuring accuracy in financial reports and general ledger integrity.
- Processed voucher payments for salary, BPJS, and Jamsostek, ensuring timely disbursement.
- Prepared approval letters for SPT reports and reconciled PPh 21, 23, and 4(2) for tax filing.
- Posted journal entries for bookkeeping purposes, ensuring adherence to accounting principles and standards.
